We request that you fill out this application because we believe that the messenger matters. As such, members of the Green Dot Bismarck-Mandan Team will be expected to practice what they teach and adequate time and energy to dedicate to this program. Attendance at the Instructor Training does not ensure that a participant will be signed off as an Instructor. If you feel the Instructor Training is not for you, please let us know another way you would like to be involved. Green Dot is a grassroots program; we encourage you to work with us to figure out ways for you to do your part to make Bismarck-Mandan safer.

However, if you are signed off as a Green Dot Instructor you will be able to provide Green Dot Overview Talks and Bystander Trainings for adults in the Bismarck-Mandan community. The Green Dot Bismarck-Mandan Program cannot be implemented in schools, universities / colleges or military institutions – if your primary audience is one of those groups please reach out to the national organization, Green Dot Etc., for more information on how you can be involved.

Thank you for your interest in joining the Green Dot Bismarck-Mandan team, together, we can put more Green Dots on the map and make our community safer.
